Internship Opportunities

FASHION Magazine offers three and four month unpaid internships in several departments: editorial, fashion, beauty, photo, marketing, design and sales. **Only students in an academic program requiring internship or co-op experience will be considered.** Interns work Mondays to Fridays, 10 a.m. to 5 p.m. Although the bulk of the work is administrative, interns gain valuable career experience in return for their efforts and are invited to sit in on editorial meetings.

A keen interest in magazines is essential. All interns should be detail oriented and organized, with strong written and verbal communication skills, and the ability to juggle multiple demands and meet deadlines. Experience dealing with public relations people and a good phone manner are assets.

INTERNSHIPS ARE OFFERED IN:

SUMMER (apply in March) ▪ **FALL** (apply in July) ▪ **WINTER** (apply in November)

opportunities currently available

TORONTO EDITORIAL INTERNSHIP Candidates for the editorial internship program should have a strong interest in the written word. Strong research skills, resourcefulness and persistence are essential. Editorial interns deal with mail, faxes and couriers, help process invoices, fact check copy and assist with research and proofreading. They may have the opportunity to write small pieces for the magazine if they show interest and ability.

TORONTO FASHION INTERNSHIP Candidates for the fashion internship program should have a strong interest in both fashion magazines and the fashion industry. Much of the work involves shipping, receiving, unpacking and organizing merchandise, and tending to faxes and couriers. Fashion interns sometimes help out at photo shoots, attend market appointments with editors and compile vendor catalogues. They may also have the opportunity to write small pieces for the magazine if they show interest and ability.

TORONTO BEAUTY INTERNSHIP Candidates for the beauty internship program should have a strong interest in fashion/beauty magazines and knowledge of beauty brands and the beauty industry. Beauty interns contact PR reps to call in products and track down prices, assist editors in researching beauty stories and help organize the department as needed. They may also have the opportunity to write small pieces for the magazine if they show interest and ability.

TORONTO PHOTO INTERNSHIP Candidates for the photo internship program are usually photography or design graduates with strong visual skills, an eye for detail and a passion for photography and magazines. Interns work closely with the photo editor, assisting with photo research and acquisition, and some administrative tasks. Photoshop knowledge is essential.

TORONTO ONLINE INTERNSHIP Candidates should have a strong interest in both fashion and the web. Online interns post graphics and stories to the website, write online copy and assist in sourcing products and images. Knowledge of Photoshop and HTML is helpful, but not essential.
